Project Title: Pillar Point West Trail Living Shoreline Project

Project Location (include county): Pillar Point Harbor, San Mateo County

Project Description: The proposed project would include the stabilization of the West Trail and stormwater system improvements. To protect and stabilize the trail, the proposed project would include the construction of a nourished beach with an elevated dune adjacent to, and east of, 300 feet of the trail. Buried beneath the surface of the shoreline and dune would be a cobble berm (otherwise known as a dynamic revetment) and two rock fingers extending perpendicular from the trail. The stormwater improvements would address the aesthetics, function, and maintenance needs of the existing storm drain system as well as provide water quality improvements to the harbor.
